ADDITIONAL INFORMATION

- ♣ Camp is available on a first come first served basis. Acceptance into camp is contingent upon review of a **complete** application by the camp director, social worker, and medical advisors.
- ♣ Campers are not enrolled until they receive an acceptance packet confirming a specific session.
- ♣ Accepted campers and their parents will be invited to an orientation and registration session prior to the start of camp. Any medications that must be administered during the camp day must be dropped off at that time.
- ♣ All medications must be in their original containers with the camper's name and labeled in the current dosage by your pharmacist. Medications will not be accepted in any other containers. If possible ask your pharmacist to package the medications in bottles or small, labeled bags as opposed to blister packs.
- ♣ Physical examination needs to be current within one year of the last day of camp.
- ♣ If the camper does not wish to remain at Camp, or if the camper is sent home due to behavioral issues, camp fees are non-refundable.
